May 1 st , 2022	\$15,000	For the first enrolled child
May 1 st , 2022	\$10,000	For any additional enrolled children upto a maximum of \$25,000 total contribution

The board has set the Campus Campaign obligation at \$15,000 per child to a maximum of \$25,000 per family. These funds will be held separately from operating funds and will only be used for capital projects such as land and building acquisition. Your payment will be repaid upon your child's graduation or leaving the school by the incoming FVS families.

You are free to fulfill this requirement through your own financial means or financial institution. If you choose to donate the amount of the capital instead of requesting repayment, you will receive a tax receipt for that donation. FVS has worked with our financial partner Envision Financial to establish a lending program with two options to fulfill this requirement. You are also free to discuss directly with Envision, other financial options that may better meet your unique needs.
